BACKPACK PROJECT

The Public Service Committee is seeking monetary donations for the annual Backpack Project. The Backpack Project aims to provide backpacks filled with school supplies to needy students in Pittsburgh. Backpacks purchased and filled as a part of the Project will be donated over the summer for the 2021-2022 school year.

Your donation will give students the supplies that they need to succeed in the coming school year.

To contribute to the project, please email Amber Manson-Webb at amanson-webb@edgarsnyder.com.
